

Road Department/DPW/Water Department – Borough of Butler seeks a self-motivated, reliable employee to work in the Road/Water and Sewer Departments. Applicant must be hard working, able to follow instructions, and willing to work extended hours during times of emergency. Individual may perform snow plowing, backhoe operation, shoveling, raking, water main installation/repair, and other tasks common to DPW work. Individual must have a good driving license record. Previous experience is not necessary but applicant must be willing to be trained in all aspects of DPW work. Schooling may be required to obtain operating licenses for portions of the job. Individual must be willing to work long hours in difficult weather conditions and be available for night and weekend callouts. Response time to after hours callouts is an important factor in the hiring process. Send resume by January 23, 2013 to:
