# COVID-19 Vaccine
Information for you and your family

Protect your family now and for the future

- The COVID-19 vaccines do not change your DNA (genetic material)
- The COVID-19 vaccines do not affect your ability to get pregnant

Spend more time with family & friends

- By getting fully vaccinated, you can start to do things you haven't done in a while like traveling or spending time with family and friends!

Help to end COVID-19 illness

- COVID-19 vaccines are safe and effective! The more people who are vaccinated, the less disease can spread.

Vaccines are available for free regardless of insurance or immigration status! No documentation is needed and there are no out-of-pocket costs!
