MEETING OF PUBLIC AND INVITATION FOR DISCUSSION

Mayor Martinez opened this portion of the meeting to the public for discussion.

Bob Norman, 31 Cascade Way wanted to know if municipalities can turn down the sale of marijuana, while municipalities may prohibit the sale the Borough of Butler has chosen to go forth with allowing it. Work is continuing on the ordinances to allow permission, they will be discussed at the June 1, 2021 workshop and if approved they will be on for introduction at the June 16, 2021 Council Regular meeting. The Public hearing will be at the July 20, 2021 meeting when the ordinances are up for adoption.

Hazel Whitty, 124 Kiel Avenue is present this evening to bring the issue she is having with her neighbor. The yard is littered with animal feces, garbage cans that are not covered for wild animals to rummage through on a nightly basis, the grass is not mowed and the yard is in need of maintenance, junk all over the property, she has numerous photos of the condition of the property. Mr. Lampmann explained that a letter was issued to the homeowner to clean up the property. A second visit will be necessary and then a summons will be issued, it will then be addressed in Municipal Court, there has not been a lot of success with taking issues such as this to court due to the changes in the laws as a result of bail reform.

Bill D'Amico, 8 Northwestern Avenue moved to Butler from Pompton Plains five years ago, he revitalized the house when he purchased it, he is very proud of how the house looks and it took a lot of effort. He is concerned that a house and property that are not maintained will lower his property value; he recently found a dead rodent on his property. Mr. Lampmann explained that the health department has broader enforcement powers, in the event he sees another rodent take photos so the health department has additional proof.

COUNCIL MEETING MAY 18, 2021 7:00 PM 1

COUNCIL MEETING MAY 18, 2021 7:00 PM 2

Council President Verdonik wants to keep the Borough a great place to live and raise a family; he sympathizes with Mr. D'Amico and the other residents.

Kaitlyn McGrath, 10 Northwestern Avenue her children's windows face the backyard, which is an absolute junkyard, she is a five year resident and has contacted the Health department to request they come and see the state of the property. She has also requested that the Zoning Officer to come over, she feels that you must continuously reach out and harass him as he does not respond. She is very frustrated as she is both a full time Mom and the single provider for her family as her husband is currently unemployed she does not have the time to continue to chase people down. She is continuously treating for pests in her backyard and the latest issue is snakes, there is a pile of bricks in that yard that may be harboring the snakes. She requested that the Department of Public Works go in and clean the area up. Mr. Lampmann explained that the Department of Public Works could not enter someone's property to clean it up. She wants to know if someone will be following through on this issue, she would like to be kept informed as to what is going on with this issue.

Mr. Woods explained that there are other options that may be explored such as a civil action as there is a lot more discretion in the Chancery division of Superior Court; he reiterated that once a summons is issued it goes through the Municipal Court and must follow those regulations regarding enforcement.

Councilman Meier suggested getting a petition together and have all the neighbors sign it as this may carry more weight.

Bob Norman, 31 Cascade Way while the issue does not concern him he has a question when someone has a piece of property in that condition can the town fine the property owner on a daily basis of \$1,000.00 Mr. Lampmann explained that it needs to go through the courts. The Borough has to allow the issue to be handled through the court system. Mr. Lampmann explained that Bail Reform has made it very difficult to enforce an individual failing to appear on their court date.

Seeing no one else come forward to speak, Councilman Fox closed this public portion of the meeting. Moved: Fox Second: Verdonik All in favor.
