Re: Townhall Meeting

Dear Ms. O'Keefe:

I write to welcome you to join me and neighbors at an upcoming Townhall Meeting I am holding for residents of Butler and surrounding municipalities. The Townhall Meeting will provide an opportunity for constituents to share their comments and questions about the State — please consider attending to hear more of what is on the minds of residents, or to hear some of my thoughts on State issues. The information for the meeting is as follows:

Townhall Meeting  
Wednesday, March 18th  
7:00pm to 8:15pm

Rockaway Township  
Municipal Building  
65 Mount Hope Rd.

I hope you can join me, and even if you cannot, please note my contact information in case you would like to get in touch with me in the future. Thank you.

Sincerely,

Jay Webber  
Assemblyman, 26th District
