

Borough of Butler

MANDATORY WATER RESTRICTIONS

Due to the excessive heat we have been experiencing, mandatory water restrictions must be put in place as a precautionary measure. Water usage has spiked during this heat wave and in order to ensure ample water supply for domestic usage and firefighting, **we are requiring that all lawn watering be stopped until further notice.** Also, we ask that you reduce as much water usage as possible in your homes (i.e. no car washing, shorter showers, etc.) to reduce the strain on our water system. You will be notified when normal water usage activity can resume.
