REPORTS OF COMMITTEES AND DEPARTMENT HEADS:

Council President Verdonik regarding Finance everything is tracking well, we are still waiting for state aid numbers that are not available until the State Budget is adopted.

Councilman Fox reported that street sweeping and routine maintenance continues on a regular schedule. Pavement repairs are complete on Bartholdi Avenue and Valley Road, pavement striping and street signage installation is scheduled to begin this month. No decision has been made on road repair for this year, so an inspection will be made of the roads; however, an ordinance has not been adopted for road repair for this year.

Councilman Meier reporting on the Electric Utility normally at this time of the year a presentation is made to all the Richard Butler sixth grade students on electrical safety. However due to COVID19 the program was cancelled, but Superintendent Ricker provided all these students with the program handouts, they were delivered to a teacher who will be doing a “drive by parade” and distribute the handouts. Split crews remained in effect for May; however, they are on a regular weekly schedule beginning on May 28 with one group reporting to the garage at Ace Road and the other reporting to the Belleview Avenue building. The Butler Plaza project got underway, in Bloomingdale a pole was set and transferred on Ballston Street as part of a road and sidewalk improvement project along with installation and energizing new service at 139 Pine Tree Road. Routine maintenance, repairs and upgrades were performed as needed. West Milford and Riverdale were quiet for the month. All meters were read and recorded, delinquent electric accounts, both residential and commercial were handled, outage calls and customer complaints were handled in a timely fashion.

Councilman Travers gave an updated report on the number of reported cases of COVID-19 in the Borough, there were four fatalities. We have only seen 18 new cases since May 2, no fatalities since that day. Stage 2 reopening commenced on June 15, 2020. He met with the Tri-Boro Animal Welfare to facilitate rebuilding the Board and restoring the organization back to compliance with the New Jersey Department of Health standards, it appears that they are on track. He feels that once the State completes reopening the Health certifications should be forthcoming. Next Board of Health meeting will be Wednesday, June 24, 2020. He welcomed back Councilman Meier after his recent health issues.

Mayor Alviene noted that Applebee’s will be having outside dining if Resolution No. 2020-61 is adopted, he is unsure if any of the establishments on Main Street will have outside dining.

**BOROUGH OF BUTLER
RESOLUTION NO. 2020-61**

**RESOLUTION PERMITTING TEMPORARY OUTDOOR SEATING FOR
RESTAURANTS DURING THE PANDEMIC SHUTDOWN OF RETAIL AND
COMMERCIAL BUSINESSES IN THE BOROUGH OF BUTLER**

WHEREAS, restaurants are an integral part of the Borough of Butler; and

WHEREAS, policies and measures to mitigate the spread of the Covid-19 virus have greatly affected the business model of restaurants with the expansion of outdoor seating being a method of balancing the need for social distance with the need to have adequate space to feasibly reopen; and

WHEREAS, the Borough desires to help its local businesses through this difficult time; and providing an expedited mechanism to permit an expansion of outdoor seating capacity for restaurants is a means to support local businesses; and

WHEREAS, restaurant owners are seeking guidance as to how they may safely resume dine-in service upon an eventual broadening of business activity allowable under state authority; and

WHEREAS, the Borough supports temporary, practical measures that enable restaurants to augment their dine-in capabilities as a means to boost customer activity.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Borough Council of the Borough of Butler in the County of Morris in the State of New Jersey as follows:

1. Outdoor seating will be temporarily permitted as an accessory use to a restaurant, fast-food restaurant and drive-in restaurant as those terms are defined in the Borough Zoning Ordinance. The temporary period shall be up through November 30, 2020 unless a longer or shorter time is established by an Executive Order issued by the Governor.
2. Outdoor restaurant seating will not require the filing of a Site Plan Application.

- h. Serving stations and a host podium may be located within an outdoor restaurant seating area provided a Plexiglas or other similar partition is used to separate the host from the guests;
- i. No change in grading will be permitted in order to create an outdoor restaurant seating area, and no temporary flooring or mats may be utilized;
- j. The proposed hours of operation of the outdoor restaurant seating area will be included in the Temporary Outdoor Restaurant Seating Application;

- l. If the proposed outdoor seating area encompasses a reserved handicap parking area, handicap parking must be provided in another location. Temporary signage must be displayed to identify the relocated handicap parking.
- m. Restaurants with existing outdoor seating areas may seek to expand the existing area.
- n. The proposed outdoor restaurant seating area may not affect the effective functioning of a prior approved site plan (i.e. blocking entrances or exits to the property);
- o. An applicant for a proposed outdoor restaurant seating area must have previously secured site plan approval from the Borough Zoning Board of Adjustment or Planning Board and must be in compliance with its existing site plan approval;
- p. The consumption of alcoholic beverages will continue to be regulated by the New Jersey Alcoholic Beverage Control Commission therefore all applicants are responsible for verifying that their liquor license permits the serving of alcohol outdoors;
- q. In no way does municipal permission for temporary outdoor seating preclude Butler Borough's retail food establishments from complete compliance with all applicable content in N.J.A.C. 8:24 – Sanitation in Retail Food Establishments and Food and Beverage Vending Machines.”
- r. In multi-tenanted properties, an approved temporary outdoor restaurant seating area must be discontinued or reduced in size if other retail, personal service and/or commercial establishments are permitted to reopen and there is not then an adequate number of parking stalls available in the discretion of the Borough Zoning Officer;

DATED APRIL 18, 2018**

WHEREAS, on March 20, 2018, the Borough Council of the Borough of Butler, County of Morris, State of New Jersey (hereinafter referred to as the "Borough") authorized the execution of a "Temporary Construction Agreement for the Butler Borough Park" by and between the Borough and the Pequannock River Basin Regional Sewerage Authority (hereinafter referred to as "PRBRSA") pursuant to Resolution No. 2018-38; and

WHEREAS, the Temporary Construction Agreement for Butler Borough Park was executed on April 18, 2018 and authorized a temporary construction easement, the area being depicted in Exhibit A of said agreement, necessary for installation by PRBRSA of a new sewer line (the "Temporary Construction Easement"); and

WHEREAS, the Temporary Construction Easement is located in Block 14, Lot 30 on the Borough Tax Map, known as Butler Borough Park; and
